WHY A TRIAL?

In order to ensure that you as a Bride are exceptionally happy with the result of your Make-up & Hair on your wedding day, a trial is of the utmost importance. A trial ensures that the right techniques, colours and products are used that suits you best, leaving you stress free on your wedding day!

BOOKING YOUR TRIAL

STUDIO ADDRESS:

11 Bokmakierie Rd, Onder Papegaaiberg, Stellenbosch, 7600

BUSINESS HOURS FOR TRIALS:

*Tuesday - Friday
9am - 7pm*

AFTER HOURS & WEEKEND TRIALS:

It is very important that trials be done during the day in natural light as this mimics the wedding day scenario and ensures a desirable outcome. Weekends I'm usually booked for functions, which means I am working on other brides on Fridays/Saturdays. Sundays we spend time as a family and rest after week's hard work.

WHEN DO I COME FOR MY TRIAL?

Ideally your trial should be booked as close to the wedding as possible. 1- 2 weeks before the wedding or even better if it's the week before as it gives you time to give me feedback as well as keep your look fresh in my memory.

HOW LONG DOES A TRIAL TAKE?

*Make-up 90min.

MAKE-UP BRANDS I USE:

MAC | INGLOT | BOBBI BROWN | BENEFIT | SMASHBOX | URBAN DECAY

WHERE SHOULD WE DO MAKEUP AT THE VENUE?

The ideal space would be a spacious environment with plenty of natural light and a few plug points.

WHAT ABOUT LASH EXTENSIONS?

I do offer temporary lash extensions (at an additional cost) however, I highly recommend getting lash extensions for your wedding. It compliments your makeup beautifully and is obviously a great benefit on your honeymoon! Beautiful accentuated eyes, with no effort_ talk about spending your time wisely!

WHAT TIME WILL WE BE DONE WITH HAIR & MAKEUP?

I prefer finishing the bride's hair and makeup at least an hour before the ceremony starts. This allows for lots of time to get dressed and take pictures with the bridal party. At your trial we will discuss a timeline for your wedding day, where after I will set it up accordingly and send it to you to ensure a relaxed and stress free wedding day.
